

Pre and Post Results from 'Brilliant Derby'

'Brilliant Derby' was a 6 month project that aimed at improving school performance through instilling positivity and 'can do' attitudes in year 5 children. And to empower the children to cascade the messages across their school and community. The children were asked to complete an on-line questionnaire before and after the project. The data is taken from the 96 children who completed both questionnaires.

A sample of comments taken from the qualitative question;

The one thing that would make my life happier is...

seeing my grandma again
less homework
to live in a chocolate house
making the city and the whole world better
making everyone happy and let people know that dont be dragged down by mood hoovers be positive and you will have a great life so be brilliant.
my family were happier
not argueing with other people
more wisdom
more smiles
more playtimes
so my mum and dad is back in love
makeing derby better
my life is amasing
not getting told off by my parents as much
no more bullies
wisdom
Better football kits!
living in one house with both parents
to complete my goal for getting this to be more happier city and to make everybody positive all of the time and to stop the mood hovers and make them become a 2 percenter like me
if dearby was more postive
I dont let people ruin my life and depress me
If my parents didnt argue so much
more wisdom and ignoring negative people
to make the world a better place
getting confident in not letting horrible people bring me down
To have a loving family
to see other people happy not sad

And, my personal favourite...

For Derby to win the FA cup!
